## *Room 39 Wine List*

Since early 2007, Room 39 in a partnership with Ripple Glass has recycled over 99% of all our wine and beer bottles that normally would have been thrown into a landfill. This has reduced our solid waste in the restaurant by about 40%.

Remember, recycling just one glass bottle saves enough electricity to light a 100-watt light bulb for four hours.

For information on where your closest glass recycling bin go to [www.rippleglasskc.com](http://www.rippleglasskc.com)
